# Eco Action Classes

**JOIN US FOR FUN, FREE, INTERACTIVE CLASSES**

## Everyday Ways to Take Eco Action

**October 19, 7-8 p.m.**

**Issaquah Depot Museum | 78 1st Ave NE, Issaquah**

Learn easy ways to reduce waste, use less toxic materials and properly sort items. Special giveaways included with participation.

## Where Does it Go?

**October 7, 12-1 p.m. or November 10, 7-8 p.m.**

**Virtual**

Where do pizza boxes go? What plastics are recyclable? Learn how to handle unusual items and what happens after materials leave our homes. This session will include a representative from Recology, City of Issaquah's hauler.

## Selecting Safer Products

**October 20, 7-8 p.m. or November 4, 12-1 p.m.**

**Virtual**

Learn how to choose and make safer home products. Identify hazardous products and find out how to dispose of them.

**Registration required. Visit [bit.ly/eco\\_classes](https://bit.ly/eco_classes)**
